

## Potted Paper Clovers

### Supplies:

*pdf pattern download*

*your choice of green papers – 2 or more shades*

*small terra cotta pot*

*wooden skewers, toothpicks or lollipop sticks*

*scissors or craft knife*

*glue gun*

*rice or potting soil*

*embellishments for the pot – gold tape, ribbon, buttons, etc.*

### Directions:

Print out the pdf, and use the pattern to trace and cut 2 sizes of clover shapes out of your green paper. Adhere a toothpick or skewer to each clover using hot glue. Fill your terra cotta pot with rice or potting soil. Insert the clovers on sticks, to the pot one at a time, until the entire surface is tightly covered. Add a little sparkly flair to the pot with gold washi tape, ribbon or a strip of paper.
